Learning the Game Is Just the Beginning

We want you to have a place to actually play. After the beginner series, start with Beginner Mahjong Play to practice what you've learned, then move into Thursday Play, our regular weekly game.

Event	Session Dates	Time	
Beginner Mahjong Play	Sept 9, Sept 23, Oct 7, Oct 21, Nov 4	1:00 PM	<i>2x/month</i>
Thursday Play	Ongoing, every week	1:00 PM	<i>Social</i>

Beginner Mahjong Play

For graduates of the beginner series who want more practice before jumping into regular play. It assumes you already know the tiles, combinations, and how to read the card. An instructor is there if you have questions, but this is playing, not a taught lesson. The pace is slower, so you can put what you learned into practice.

Thursday Play

Our regular weekly game, open to all skill levels. You don't need to know everything to join in, questions are always welcome, and there's plenty of room to keep sharpening your skills. It just moves at a little faster pace than Beginner Play. Register through the Treasure Valley Social Group on Meetup, free to attend.

Private Group Sessions

Bring your own group, 4 to 8 people, and we'll set up a private session just for you. We'll find a day that works around our public class schedule, so it's just your group at the table. Reach out for pricing and to set your date.
